Be Prepared!

For Parents of Students 18 months – K5

For the comfort and safety of your child, we ask that parents of students 18 months through K5 provide the following items:

- For non-toilet trained children, a diaper bag with complete supplies, including a complete change of clothing, in a plastic bag, labeled with your child's name.
- For toilet trained children, a complete change of clothing in a plastic bag, labeled with your child's name. Accidents are not uncommon among toilet-trained children. It is important for your child's comfort that you provide adequate clothing alternatives!
- Nap-time is part of the regular routine for young children at Nicaea Academy. We ask that you supply a mat for nap-time. (Blanket and/or pillow is optional). Mats may be purchased inexpensively at all larger department and sporting goods stores, or may be conveniently purchased in the school office for only \$20.00.
- Lunches and snacks are not provided by the school: however, a hot lunch/snack program is available at a minimum cost. (*see school lunch menu for details.*) If you choose not to participate in the school lunch program, please provide lunch, drinks and/or snacks in an appropriate lunch box clearly marked with the student's name. in the event the child is sent to school without a lunch, or lunch is not ordered in the office, your child will be provided with a lunch and your account will be charged accordingly.
